## 1993 Biennial Survey Questions Requested

GPO is now preparing the 1993 Biennial Survey of Depository Libraries. Though many of the survey questions will be similar to those in the 1991 survey, GPO is soliciting additional questions from depository library staff. The questions should solicit information that would be useful for GPO and/or depositories.

The 1993 survey will be issued this spring. GPO expects to compile, tabulate, and print the survey results in Administrative Notes in the fall of 1993.

Please submit your proposed questions as soon as possible. Mail or fax your submissions to:

## Superintendent of Documents Classification Number Change

With the implementation of the new Acquisitions, Classification and Shipment Information System (ACSIS), all alphabetical characters in Superintendent of Documents Classification numbers will be capitalized. You will notice the effect of this policy change in your shipping lists, cataloging records in the Monthly Catalog and on the GPO Cataloging Tape, in the upcoming issue of the List of Classes and all other products where the Superintendent of Documents Classification number is used.

This change was implemented to provide consistency in the transcription of the classification number. A further explanation of this policy change will be available in the new edition of the GPO Classification Manual, which will be available in 1993.

SUPERINTENDENT OF DOCUMENTS

December 9, 1992

Dear Depository Librarian:

The Library Programs Service (LPS) has recently been apprised that the publication, **The Animal Liberation Front in the 90's**, from the Treasury Department, should not have been shipped to depository libraries. It is "required for official use only for strictly administrative or operational purposes" under provisions of Title 44, **United States Code**, section 1902.

Descriptive information on this publication:

Title	SuDocs #	Shipping list #	Shipping list date	Item #
The Animal Liberation Front in the 90's	T 70.2: AN 5	92-0595-P	10/27/92	0971-B

I am requesting that you immediately withdraw this publication from the library collection, secure it, and deliver it to the Treasury Department Secret Service agent who will collect it. Both LPS and the U.S. Treasury Department regret any inconvenience resulting from the shipment of this "official use only" publication.

Sincerely,

A handwritten signature in cursive script that reads "Wayne P. Kelley".

WAYNE P. KELLEY  
Superintendent of Documents

## Have You Registered for the Interagency Depository Seminar?

Now is the time to register for the 6th Annual Interagency Depository Seminar, if you haven't already done so. The seminar is scheduled from May 19 through May 26, 1993, and will be held in Washington, DC .

The Interagency Depository Seminar is the most comprehensive introduction to U.S. Government information now offered. As such, it has become extremely popular with the documents library community during the past five years, and the 65 spaces allotted for attendees are nearly filled.

Prospective attendees should complete the registration form below and mail it, along with a check for \$10.00 made out to "GPO Cafeteria Service," to GPO by January 31, 1993. Librarians who are officially registered for the seminar will be notified by mail. If you have any questions about the seminar, please write or call the Chief, Depository Services, at (202) 512-1119.

Information on accommodations and a detailed agenda appeared in Administrative Notes, v. 13, #18 (Sept. 15, 1992).
